## Minor Conditional Use Permit (MCUP) and Minor Modification to Add Retail Non-Storefront to a Measure X Use

## Submittal Guide

Measure X business owners seeking to amend their Conditional Use Permit (CUP) and Cannabis Business Permit to add retail non-storefront cannabis (delivery) to existing operations must do so through the Minor Conditional Use Permit (MCUP) and Minor Modification process. The MCUP application packet has references to items that are not applicable to adding delivery to a Measure X business. Follow this guide carefully to avoid preparing unneeded materials.

Materials included in this submittal guide and application packet:

- Step-by-step MCUP application submittal guide
- MCUP Application Form
- CBP Minor Modification Application Form

## STEP 1: Eligibility

**Approved Measure X CUP.** Only businesses with an approved Measure X CUP can apply to add retail non-storefront (delivery) to their Green Zone location through the MCUP process.

## STEP 2: MCUP Application Submittal

MCUP applications related to adding retail non-storefront cannabis to a Measure X business must be submitted online. A specific portal will be provided on the City's cannabis webpage. The City will not accept applications in person, via email, or U.S. mail. The City will **NOT** accept incomplete applications for processing.

MCUP Application Form. The MCUP application packet can be downloaded here: <a href="https://www.costamesaca.gov/home/showpublisheddocument/226/637327379189070">https://www.costamesaca.gov/home/showpublisheddocument/226/637327379189070</a>

MCUP Submittal Checklist (specific to amending Measure X CUPs to add delivery)

1. **Scanned application form for Minor CUP.** Application must be completed in full and scanned for online submittal. The original shall have the wet ink

signature by property owner and agent/applicant. A Planner will contact you when it is appropriate to submit the original file.

- Scanned application form for Minor Modification to Cannabis Business
   Permit. This application must accompany your MCUP application, but the filing
   fee of \$1300 will not be collected unless and until the MCUP has been approved.
- 3. **Applicant letter.** Provide a one-page letter describing the approved CUP and proposed changes, including hours of operation, additional staffing needed, and a description of how each area would be utilized.
- 4. Fee payment. A Planner will contact you when it is appropriate to submit the \$3,800 MCUP fee. Payment for the MCUP application must be made by a certified check, cashier's check, or money order made payable to the City of Costa Mesa.
- 5. **Public notification requirements.** A Planner will contact you with instructions on how and when to submit the 500-foot-radius assessor parcel map, two sets of typewritten owner and occupant mailing labels, and a certification letter from the person who prepared the map and labels. Additional fees will be charged for a newspaper ad and mailing notices to the public. These fees vary by property.
- 6. **Plans**. High resolution electronic copy of a site plan, existing floor plan, and proposed floor plan, prepared to scale. The PDF files should be a minimum resolution of 300 dpi. Elevations and photo simulations are not required, but are accepted for additional context. Plans shall contain the following information:
  - Address of project;
  - o Name, telephone number, and email of the agent/applicant
  - Scale of drawings
  - North arrow
  - Street names
  - Parking Summary
  - Street names
  - Site Plan containing property lines and dimensions; outline of buildings, parking areas, and landscaping; walls and fences, including height and materials; off-street parking stalls; and location where delivery vehicles will be loaded, stored, etc. (site plan)
  - o Floor plans including dimensions and use of the rooms;
  - o Optional: elevations and photo simulations

Do not provide a preliminary grading plan, water quality management plan, or seismic hazard map act survey.

7. **Revised Documents.** If the modification necessitates changes to the approved Business, Security or Safety Plans, submit revised documents with changes highlighted.

8. **Applicant Campaign Contribution Disclosure Form.** Complete the disclosure form provided in the MCUP application packet if the applicant or business owner/entity made contributions greater than \$249 to any City Council member in the twelve months prior to submitting the MCUP application.

## STEP 3: MCUP Application Review

Planning staff will review the MCUP application submittal. Be aware that the City may require additional information or revisions during this review. Incomplete applications will be rejected. Once all the documents have been reviewed and deemed acceptable by the Planning Division, a Planner will issue a letter of completeness. Afterward Planning and other departments will thoroughly review the proposed project and identify potential deficiencies regarding compliance with City and state requirements; identify future code requirements; and draft conditions of approval, etc. The applicant may be required to revise the various plans and documents.

#### STEP 4: Public Notification

Once a Zoning Administrator decision date is set, the City will issue a public notice via newspaper ad and by mailing post cards to owners and occupants within a 500-foot-radius of the subject property. The cost of publishing and mailing will vary by project. A Planner will let the applicant know the final publishing and mailing cost. These fees must be paid in full prior to the decision date.

## STEP 5: Zoning Administrator Decision

A MCUP is decided by the Zoning Administrator after the public notification period is complete. However, the Planning Commission may choose to call the project up for review at a public hearing. The Zoning Administrator or Planning Commission will either approve or deny the project. Decisions are appealable to either the Planning Commission or City Council.

## STEP 6: Apply for a Minor Modification to your Cannabis Business Permit

After the appeal period has expired, staff will collect the fee for the Minor Modification application to amend your Cannabis Business Permit. (The Minor Modification to a CBP application form can be found on the City's cannabis webpage and is also included in this submittal guide.)

Staff will incorporate the revised site plan, floor plan(s) and Security and Business Plans submitted and reviewed as part of the MCUP into the CBP.

The applicant will be required to submit background check information for any new employees that will be hired to accommodate the delivery business. Employees must successfully pass the background check before the amended CBP will be issued.

#### STEP 7: Building Permits

Tenant improvements, landscape improvements, and other building modifications require issuance of building permits prior to commencing any construction or improvement. The applicant is responsible to obtain all required permits from the Building Division and Fire Department as applicable. Information about the plan check submittal and building inspection process may be found on the Building Division's webpage: <a href="https://www.costamesaca.gov/city-hall/city-departments/development-services/building-safety">https://www.costamesaca.gov/city-hall/city-departments/development-services/building-safety</a>

The CBP will not be issued until the Building Division has granted final approval for all construction.

#### STEP 8: Issuance of the Minor Modification to the CBP

After construction has been completed and approved by the Building Division, the applicant shall contact the Community Improvement Division to obtain the revised CBP. The applicant shall submit a matrix with the conditions of approval imposed on the MCUP and demonstrate how each condition has been satisfied.

The CID shall schedule a site inspection so that representatives from the Fire Department and the Planning and Community Improvement Divisions may confirm that the site improvements conform to all requirements set forth in the CUP and state and local codes. CID staff shall also confirm that all staff members have passed the background check and issue badges for new employees.

Following issuance of the CBP, the applicant shall obtain a revised Business License reflecting the delivery use.

#### **QUESTIONS?**

# ADMINISTRATIVE ADJUSTMENT, MINOR CONDITIONAL USE PERMIT, AND MINOR DESIGN REVIEW

(Zoning Administrator Review Required / Approximate Processing Time: 8-12 Weeks)

S	UBM	IITTAL CHECKLIST
	1.	APPLICATION FORM: Wet ink signature by property owner(s), agent/applicant required. Application must be completed in full.
	2.	APPLICANT LETTER (18 copies)  A. On a separate sheet of paper, please describe your project.
		B. <b>Minor Conditional Use Permit</b> : If you are applying for a minor conditional use permit, describe how the proposed use is substantially compatible with uses permitted in the same general area and how the proposed use would not be materially detrimental to other properties in the same area. Within your project description, please include the previous use, existing square footage, and square footage breakdown of proposed uses, if applicable.
		C. Administrative Adjustment: If you are applying for an administrative adjustment, describe the property's special circumstances, including size, shape, topography, location or surroundings that deprive the property of privileges enjoyed by other properties in the vicinity under the identical zoning classification due to strict application of the Zoning Code. Within your project description, please include the previous use, existing square footage, and square footage breakdown of proposed uses, if applicable.
	3.	FEE PAYMENT See attached fee schedule for applicable fee information. Make check(s) payable to the "City of Costa Mesa." NOTE: All planning fees are one-time, non-refundable fees.
	4.	PUBLIC NOTIFICATION REQUIREMENTS  A. Radius Map: This map shall show the subject property and all properties within a 500-foot radius. Assessor parcel numbers must be shown on all affected properties.
		B. Mailing Labels: Submit two sets of typewritten mailing labels (on 5160 mailing labels) & one photocopy. A mailing label is required for every property that is within the 500-foot radius (either wholly or partially). The mailing label must contain the assessor parcel number above the name of the owner and applicable address. Property owner names and addresses shall be obtained from the latest available County of Orange assessment rolls. Separate mailing labels shall also be provided for each tenant/occupant within the 500-foot radius.
		C. Certification Letter: The person who prepared the radius map and mailing labels shall write and sign a letter certifying that the information is true and accurate.
	5.	PLANS  18" x 24" (or larger) drawn to scale and folded to 8½" x 11", with the face of the plans out:  Three sets (stapled) containing site, floor and elevation plans.  Two additional site plans.
		<ul> <li>2. 11" x 17" plans folded in half, with the face of the plans out:</li> <li>Four sets (stapled) containing site, floor and elevation plans.</li> </ul>
		<ul> <li>Twelve (stapled) additional site and floor plans.</li> <li>3. One 8½" x 11" copy of full plans.</li> <li>4. High resolution electronic copy of plans (PDF version) provided on a USB drive or CD (two weeks prior to hearing date). The PDF file should be a minimum resolution of 300 dpi. All sheets must be oriented correctly.</li> </ul>
		<ul> <li>5. Color front, side, rear elevations and color street elevations (one color set may be submitted two weeks prior to the hearing date).</li> </ul>

٠,	V	ì	T

6. PRELIMINARY GRADING PLAN (for development projects only, discuss with planner)

Submit three copies showing: Existing and proposed grade elevations at the property lines; Elevations are to be shown at 20-foot intervals; Existing grade elevations 5' away from the subject site on all surrounding properties; Arrows depicting direction of flow and identification of any existing drainage courses; Finished floor elevations of all the proposed and existing buildings (to be retained).

7. WATER QUALITY MANAGEMENT PLAN (preliminary, see page 3)

## PROCESSING TIME

Approximately 8-12 weeks. The following will extend the processing time:

- Incomplete application (due to the lack of information, inaccuracies or revisions).
- Project revisions made by the applicant.
- Environmental document required (e.g. Negative Declaration).

## PLANS CHECKLIST

ı	Ŀ		13 3.1231(2.3)
	The		s shall contain the following information:
		1.	Address of project;
		2.	Name, telephone and email of applicant or architect;
		3.	Scale of drawings;
		4.	Topography/grading plan if:
			A. There is greater than a 2-foot elevation difference onsite.
			<ul> <li>Site elevation exceeds (or will exceed) the neighboring property by 1 foot or more.</li> </ul>
		5.	Existing trees;
		6.	Location of structures on adjoining lots. Identify structures and indicate location of second-story windows.
		7.	Setbacks from ultimate property lines, if applicable, and distances between buildings;
		8.	Required right-of-way dedications, if any, and location of ultimate property lines;
		9.	Dimensions and use of existing (to remain) and proposed structures;
		10.	All property lines and dimensions;
		11.	Pedestrian access and circulation;
		12.	Landscape and other open space areas;
		13.	Walls and fences – height and materials;
		14.	Trash enclosures (except residential projects with 4 units or less);
		15.	Loading area, including dimensions and screening;
		16.	Off-street parking:
			A. Designate types and number of spaces;
			B. Dimensions of parking stalls, maneuvering areas, and driveways;
			C. Identify paving materials; and
			D. Show location of curbing and wheel stops.
		17.	Names and widths (to centerline) of all adjacent streets and alleys;
		18.	North arrow;
		19.	Easements on or across the site;
		20.	Floor plans including dimensions and use of the rooms;
		21.	Exterior elevations of all sides of the building, including height, use of rooms and materials;
		22.	Roof plan;
	The	falla	
		1.	wing information, where applicable to your project, must be provided either on the site plan or separately:  Lot area (after dedication, where required);
		2.	Number of dwelling units, classified by number of bedrooms per unit (X=bachelor, Y=1 bedroom, Z=2 bedrooms); dens,
	П		ies, studios, etc. are considered bedrooms for this purpose;
		3.	Number of parking spaces – classify as to open parking, carport, or garage;
		3. 4.	
		4. 5.	Area (sq. ft.) and percentage of lot devoted to open space (area other than buildings, driveways and parking);
		5. 6.	Area (sq. ft.) of each building, and total building area (including carports and garages);
		0.	Area (sq. ft.) and percentage of lot devoted to driveway and open parking.

## **APPEALS**

The Zoning Administrator is responsible for approving or denying this application. The item can either be appealed or called up for hearing before the Planning Commission. The appeal must be filed by 5:00 PM within seven (7) days of the Zoning Administrator's decision with the City Clerk's Office at City Hall. See the attached fee schedule for the filing cost of an appeal.

## MATERIALS INCLUDED IN APPLICATION PACKET

Additional materials included in this packet:

- Application form
- Development Fees information handout
- Processing fees information handout
- A partial list of surrounding property notification service companies
  - o Format sample of mailing labels with surrounding property notification example map

## WATER QUALITY MANAGEMENT PLAN

#### WHAT IS A WQMP?

A WQMP is a written document indicating what structural and non-structural "best management practices" will be incorporated into the project, both design and operation characteristics, to control pollutant runoff into the storm drain system over the life of the project. Contact the Public Services Department at (714) 754-5323 for more information about this requirement.

#### WHY ARE THEY REQUIRED?

In response to the Federal Clean Water Act of 1987 and the National Pollution Discharge Elimination System (NPDES) permit requirements, the City of Costa Mesa requires the Water Quality Management Plan (WQMPs) for certain types of projects. The intent is to reduce the content of storm water runoff to the maximum extent possible.

#### WHAT TYPE OF PROJECT REQUIRES A WQMP?

- 1. All construction projects, which require discretionary approval by the City of Costa Mesa, shall be required to submit a WQMP for approval by the City prior to the issuance of building permits.
- 2. All subdivisions of land shall be required to submit a WQMP for approval by the City prior to recordation, if determined applicable by the City.

## SEISMIC HAZARD MAP ACT SUMMARY

#### WHAT IS REQUIRED?

The State's minimum criteria for project approval within Seismic Hazards Zones are defined in the California Code of Regulations (CCR Section 3724 (b)). The following is a summary of the criteria that shall be used by the City of Costa Mesa:

- 1. A project shall be approved only when the nature and severity of the seismic hazards at the site have been evaluated in a geotechnical report and appropriate mitigation measures have been proposed.
- 2. The geotechnical report shall be prepared by a registered civil engineer or certified engineer geologist\*. The geotechnical report shall contain site-specific evaluations of the seismic hazard affecting the project, and shall identify portions of the project site containing seismic hazards. The report shall also identify any known off-site seismic hazards that could adversely affect the site in the event of an earthquake. The contents of the geotechnical report shall include, but shall not be limited to, the following:
  - · Project description.
  - A description of the geologic and geotechnical conditions at the site, including an appropriate site location map.
  - Evaluation of site-specific seismic hazards based on geological and geotechnical conditions, in accordance with current standards of practice.
  - Recommendations for appropriate mitigation measures as required in Section 3724(a), above.
  - Name of report preparer(s) and signature(s) of a certified engineer geologist and/or registered civil engineer\*.
- 3. Prior to approving the project, the City of Costa Mesa, or a City-selected consultant\*, shall independently review the geotechnical report to determine the adequacy of the hazard evaluation and proposed mitigation measures and to determine that the requirements of Section 3724 (a) above, are satisfied.
  - \* Having competence in the field of seismic hazard evaluation and mitigation.

    (Above criteria from the "Guidelines for Evaluating and Mitigating Seismic Hazards in California" March, 1997)

Please read carefully:

Applicant

I understand that as defined by Title 1, section 1-35(I), of the Costa Mesa Municipal Code (CMMC). I am deemed the responsible party for any violation(s) of the CMMC that may arise at the proposed facility location.

I certify that the business is currently operating in compliance with all provisions of the CMMC, the Cannabis Business Permit, and the Conditional Use Permit (CUP) for the subject location.

I understand and acknowledge that the operation of this Cannabis Facility must adhere to all the requirements of Title 9, Chapter VI of the CMMC and all other applicable state and local laws and all regulations promulgated thereunder and affirm that this business will be operated in compliance with applicable state and local law and all regulations promulgated thereunder. I understand and acknowledge that any permit issued based on false or misleading statements provided in this application will be deemed invalid and subject to revocation.

I declare under PENALTY OF PERJURY under the laws of the State of California that the foregoing statements are true and correct.
